College of Letters & Science Concurrent Enrollment Policy

At a spring 2019 meeting, the L&S Executive Committee (EC) reviewed its regulation on Concurrent Enrollment (CE). For the purpose of this letter, Concurrent Enrollment is defined as simultaneous enrollment at UC Berkeley and UC Extension or non-UC Berkeley institutions during a fall or spring term.

**L&S Regulation 130 states**: Concurrent enrollment in courses offered by University Extension (including correspondence courses) or at other institutions is not permitted except in extraordinary circumstances, and no credit will be given for such courses unless the approval of the Associate Dean responsible for undergraduate advising has been obtained prior to enrollment.

The EC affirmed the regulation, and the College's current practices will align with this policy. Effective Fall 2019, L&S will adhere to the following practices in regard to concurrent enrollment:

- Approval will be granted when the student requests it via a petition in advance, and the petition documents an extraordinary circumstance that would prohibit the student from taking the course(s) on campus. (Reasons for requesting concurrent enrollment will remain the same on the updated Concurrent Enrollment Form).

- If a student does not receive approval before starting a concurrent enrollment course in Fall 2019 or later, no credit will be given on the Berkeley transcript for that course.

- **Simultaneous Degrees**: Students declared for simultaneous degrees (i.e. two Colleges) must be approved as required by the rules of both Colleges.

GREEN CORPS FELLOWSHIP
Green Corps' year-long paid fellowship that prepares recent college graduates for a career in environmental organizing by providing intensive classroom training with people like Bill McKibben, and other guest speakers; hands-on experience working with groups like Oceana, Corporate Accountability, The Wilderness Society, and Mighty Earth to fight climate change, protect public lands and reform our food system. The planet needs all the help it can get, especially now with so many protections under attack. To win now and build a strong foundation for lasting progress, we need people who know how to organize: to run organizations and campaigns that will inspire the support and action we need to save our planet.

- If you are passionate about the environment and ready to learn and practice the craft of organizing, visit Green Corps to learn more and to apply
- Green Corps' year-long program begins in August 2020

THE 72nd JAPAN-AMERICA STUDENT CONFERENCE
The Japan-America Student Conference (JASC) is a student-led exchange program, initiated in 1934 by university students concerned by the breakdown of bilateral relations prior to World War II. Today, an equal number of students from the U.S. and Japan are competitively selected each year to spend one summer month together, studying and analyzing Japan-U.S. relations while visiting diverse regions in the host country. JASC alternates its host country every year, emphasizing the personal connections between two distinct cultures gathered together in one place, and is open to students of all academic backgrounds.

- JASC Conference Dates: July 24 - August 17, 2020 in Los Angeles, CA, Tucson, AZ, and Indianapolis, Indiana
- Visit: http://iscdc.org/jasc/ to learn more and to apply
